#### ECAs and language support classes starts on Monday 29/08

### A word from the team

Dear LIFT parents,

Welcome to the very first issue of the LIFT newsletter, an historic one and quite a moving milestone for all of us.

This newsletter is shared with LIFT parents only. It will be our main communication tool to keep you informed, as LIFT parent, of what we are doing collectively as a close educational community on a weekly basis.

Important features includes:

- Key “save the date” and news section for reminders of most important information you need to know for the coming week.
- An editorial with main LIFT news, achievements, directions, milestones and vision. This is to guarantee a direct and regular information channel to keep parents at the forefront of the governance of the school.
- A note about learning and teaching, because this is what matters to us at LIFT, and because we are promoting a “coeducative” approach to learning between educators and parents.
- Feedbacks about what has been learnt in each class, with pictures of pupils in action and their achievements.
- Feedbacks from learning in three languages, because trilingualism is a key feature of LIFT.
- A cultural events listing, to bring the LIFT community together as much as possible.

We hope you will enjoy reading us, and wish you the best for the few days left of the summer break.

Kind regards,  
Thomas Chaumont, LIFT CEO
