Thursday 15th of September 5pm-6pm
- CM1 / CM2 class  
Friday 16th of September 5pm- 6pm

#### PICK-UP & DROP-OFF

- Please DO NOT u-turn at the gate
- Please do not let your children cross the street alone, wait for us to pick them up
- Kindly plan for an arrival before 07.55 am.
- If late, please let us know before 08.00 am

#### ECA & CATERING INVOICING

Invoices will be sent in september.

#### WEDNESDAYS PICK-UP TIMES

To allow pupils more time to eat on wednesdays (as we finish classes at 12.30 pm that day), **pick-up time is now 14.00 pm** for pupils who don't have ECAs and **17.00 pm** after football and Les Petits Terrestres.

#### SMART WATCHES

Pupils can bring smart watch on their backpack, but not on the wrist during class time.

### A word from the team

Dear LIFT parents,

What a pleasure to - finally - welcome our pupils! We sincerely hope that your children enjoyed the start of their learning journey with us. The best possible reward for the hard work are smiles on the faces, loud footsteps on the corridors, and intense discussions during the lunchtime between our students!

Our most sincere thanks for your words of encouragement and congratulations. I believe that we, as a team, do what we do out of passion, and to know that children are happy to come back every morning is all we need to keep going and do our best to improve.

You will read on this issue most of what has been going on at LIFT during this first very intense week in classrooms, playground and lunchroom. This week has been challenging but rewarding for the teams.

I am particularly proud to have seen our teaching team working hand in hand to make teaching in three languages, one of our core educational features, a reality. This is quite unique in the educational landscape of Taipei, as we ambition not to teach "foreing" languages but to teach in three different languages and to induce a daily trilingual environment for the children. This requires a huge amount of preparation and teamwork between teachers, as the curriculum delivered everyday intertwines French, Mandarin and Chinese languages.

On the administrative side, we've been busy making sure that the safety, hygiene and well-being of all children were ensured at all times, and working to provide the teachers the best possible environment for teaching.

Have a great weekend, be careful of the upcoming storm and see you at the gate on Monday morning!

Kind regards,  
Thomas
