ANTHONY BELIN - PEDAGOGICAL DIRECTOR

### What is Bac Français International (BFI) ?

Bac Français International (BFI) is an excellence system set-up since beginning of schoolyear 2022, acknowledged by the french State and 18 other partner States among which Spain, the United Kingdom, and the USA. This concerns pupils of Première class and Terminale class who we offer advanced courses, especially concerning learning and development of foreign languages. This diploma is a way to enhance the value of the laureates speaking several languages and giving more visibility to their linguisti pathway by validating a C1-C2 level in 3 or 4 langages, on Parcoursup but also other foreign universities.

#### WHY PREPARE BFI?

BFI enables the pupil to gain cultural opening and to reinforce linguistical skills. It gives critical thinking and open-mindedness thanks to the teaching of "knowledge of the world". These skills and values are essential, both on a professional and a personal level. More and more companies open themselves to the world and are looking for multilingual profiles in addition to english.

#### WHO FOR ?

This training is more particularly for the pupils who want to apply to superior studies in France or abroad. It is a selective section that implies a good academic level and a good level in 3 or 4 languages.

Pupils prepare a general baccalauréat with extra teachings like:

- Knowledge of the World: geopolitics, contemporary issues, culture and civilisation of the studied languages' countries. The pupils also bears a project with an international partner.
- Cultural and linguistical in-depth study
